ADDIS ABABA UNIVERSITY

**COLLEGE OF MANAGEMENT, INFORMATION AND ECONOMIC SCIENCES
SCHOOL OF INFORMATION SCIENCES**

Mr. Hans Hesseling will speak on:

Experiences with creating and implementing ICT Policy at Arba Minch University

Synopsis: The presentation will cover the policy efforts spent over a period of 2 years, the organizational impacts of the policy, and the successes and challenges experienced in implementing the policy.

Hans Hesseling received his MSc degree from the Electronics Engineering Faculty of Delft University of Technology. He worked in Computer Networking and Computer Systems Engineering during most of his career, leading design, implementation and administration teams of a Dutch University, and later an international company based in Germany. He worked as ICT consultant at Arba Minch University for 2 years. He currently works as ICT advisor with MoE.
